

FOR SUCH A TIME AS THIS

Hello good people of God,

I felt in my heart to share a little of what God showed me about the times we are entering in. Since two years God has been showing me more things concerning what is about to take place, and I believe Gods heart desires us to be enlightened so we can prepare our hearts not to be troubled (John 14:1), but put on a breast-shield of faith.

Two years ago today God showed me in a dream that the world would be entering into a time of crisis. As I shared in my previous letters this was symbolized as big black tornado - “The perfect storm”. At the moment this was a new way for me to receive information from God, and though I didn't understand the timing of it all, God told me this: ***“I am in charge of the tornado. I decide whether or not it will hit you. No place is going to feel safe, not even the church. The confidence will be found in knowing that I am the only one able to save and that my sheep hear my voice.”***

"For Zion's sake I will not keep silent, and for Jerusalem's sake I will not be quiet, until her righteousness goes forth as brightness, and her salvation as a burning torch." Isaiah 62:1

"Indeed the Lord has proclaimed to the end of the world:
'Say to the daughter of Zion, "Surely your salvation is coming. "'

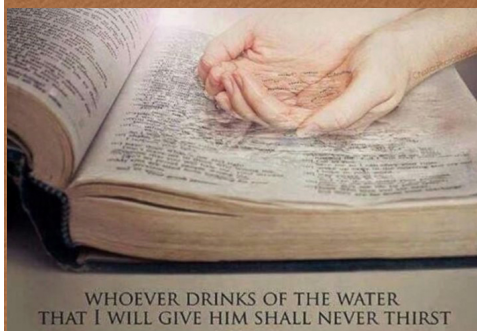

Isaiah 62:11

As I asked Holy Spirit: How do you want me to pray? He answered me: "***Be watchful, pray that you may trust me as your primary security***"

This summer I had another dream where I saw the black storm once again and together with other prophetic warriors, we are trying to take our stand against it in prayer. This all happened in another dimension - a spiritual dimension. We all got challenged by the size of this storm and I am thrown back into the earthly realm - the natural dimension. As I am doing normal life, 3 weeks later, the prophet warriors come back, some are alive and some have died. As I condolence them on their loss, they warn me that a two year war period is coming. Although they were only gone 3 weeks in this dimension, they were fighting 2 years in the spiritual realm, taking their stand in advance of the coming crises.

When I awoke from my dream, I was wondering if God was telling me, that He spoke to me about the coming storm two years before it would actually take place in the real realm. I was preparing my heart that something might happen mid October this year, and here we are. War has broken out in Israel and as we all know, this is more complicated than what we imagine.

I believe what is happening right now will eventually effect us all, and while we are still waiting for the rains of revival, I believe God is pointing our attention to standing for his purposes for Israel and become properly aligned with God's heart for His people. The people of Israel just suffered the worst attack since the Holocaust. The demonic hate of Antisemitism is alive and well, and the horrific events done by Hamas have revealed what these terrorists always stood for: pure evil directed against Jews AND Christians. While Israel's army must fight back with every means possible, we Christians must watch and pray for the Peace of Jerusalem! It is interesting that this is emerging not

long after the Holy Spirit stirred 5 million believers to fast and pray for Israel for 21 days during the **Isaiah62fast**. Lets believe for an historic outpouring of the Holy Spirit in the region.

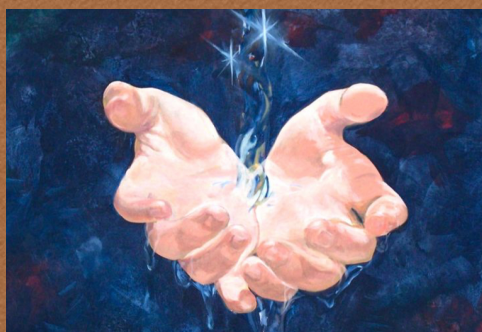

Like Moses' hands were held up by Aaron and Hur, and the battle was won, Israel needs our prayer support. I encourage you to pray regularly, with a group, and to speak with your church leaders about prayer for Israel.

A READY BRIDE

I feel that the Lord wants us not only to pray for Israel and His people but also to prepare ourself as His bride during this time of war. We must prepare by knowing Him in the depth and His good, eternal plan for us.

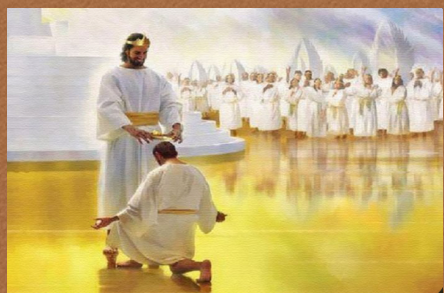

In Matthew 25:1-13 Jesus spoke of us having oil in our lamps. We want to be filled with the oil of the Holy Spirit so we can live an overcoming life in Christ and survive the chaos and calamities of the last days. All the virgins in the parable had oil in their lamps and were sincere believers, but the wise brought an extra vessel of oil with them. The foolish assumed the bridegrooms return would be sooner rather than later and they sincerely believed they had enough oil to sustain them until his arrival. Wisdom prepares a secret place for the long haul. We buy oil by taking time to be with the Lord and be renewed in His Word and Spirit. Buying oil is costly, it takes time and energy. When the foolish virgins turned to the wise to get more oil, they recognized that the wise had cultivated, through time and energy, a greater depth in God. But the wise were helpless to give it. There is no shortcuts to carrying Holy Spirit oil and to have authority in ministry. We must devote ourself to the secret place until our hearts are overflowing with love and desire for our Beloved.

Jesus also used another picture for this, He said in John 7:37

"The LORD is my rock, and my fortress, and my deliverer; My God, my strength, in whom I will trust; My buckler, and the horn of my salvation, and my high tower."

Psalm 18:2 KJV

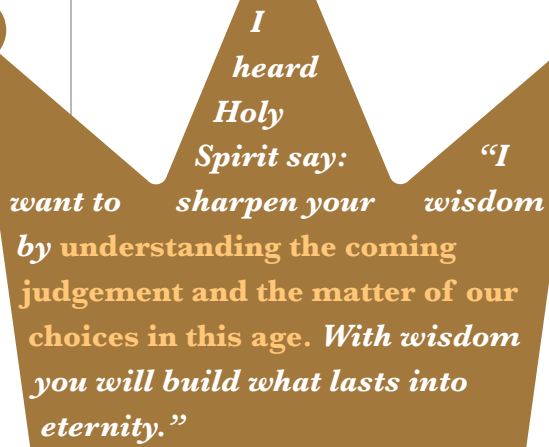

"If anyone thirsts, let him come to me and drink. Whoever believes in me, as the Scripture has said, 'Out of his heart will flow rivers of living water.'" Now this he said about the Spirit, whom those who believed in him were to receive.."

In another vision God showed me that a time of famine and drought is also coming, but God had given the Bride the staff of Moses and she swung it and as she did a round rainbow appeared in the sky and out of it came a great stream of water. I believe this was God promise of supernatural provision for His Bride both in terms of living waters and supply for our bodies.

The living water is available to us at any time and in any place, if we stay on the right path. I urge you today, find it, drink it often, and never go far from it. The secret place is the threshold for the infilling we need to sustain through the dark night of Christ's delays.

One truth about God that in particular stands out to me, as being import to endure this coming season, is the revelation of God as our "HIGH TOWER". In psalm 18 we read that David proclaimed this about God. To come to God as a high tower is to enter a place in God, where we can see with clear vision and from His eternal perspective. God told me that one of the ways we makes ourselves ready to suffer for Him and endure trials, is by having our focus on eternal rewards. Jesus says: ***"You are those who have stayed with me in my trials, and I assign to you, as my Father assigned to me, a kingdom, that you may eat and drink at my table in my kingdom and sit on thrones judging the twelve tribes of Israel."*** (Luke 22:28-30)

There is no pleasure that we give up in pursuit of God in this life, that we will regret. There is no sacrifice that we give God today that in the end, we will regret. God is deciding to reward us for all of eternity, for every trial we may suffer in this age, as we hold on to Him in love. There is an attention shift that I believe God is training us in and as things start shaking in the earth, people will be looking for

answers. I believe the beauty of Jesus is the answer, declared through worship. In the coming times the beauty of Jesus will be stronger than all self-promotion pleasures, and although the whole world may change in an hour, the church will be singing love songs to Jesus in the fire (Isaiah 24:14)
